Senator Klein moved the following amendment:

**Senate Amendment (with title amendment)**

On page 21, between lines 27 and 28,

insert:

Section 4. Notwithstanding any other provision of law, the county in which the projects that are part of or ancillary to the state-of-the-art biomedical research institution and campus to be established in this state by the grantee under section 288.955, Florida Statutes, are to be located shall have the exclusive right, which right may be assigned in whole or in part by the governing body of the county in its sole discretion, to provide water and wastewater services to such projects to the extent deemed necessary by the governing body of the county. The county may plan, acquire, construct, reconstruct, enlarge or extend, operate, and maintain water and wastewater systems and facilities within or without the boundaries of such projects for the provision of water and wastewater services.
