The Committee on Natural Resources recommended the following amendment:

Senate Amendment

On page 7, between lines 5 and 6,

insert:

(c) The department shall adopt rules to establish priorities for state-conducted cleanup at sport shooting or training ranges based upon factors that include, but need not be limited to:

1. The degree to which human health, safety, or welfare may be affected by exposure to the contamination;

2. The size of the population or area affected by the contamination;

3. The present and future uses of the affected aquifer or surface waters, with particular consideration as to the probability that the contamination is substantially affecting, or will migrate to and substantially affect, a known public or private source of potable water; and

4. The effect of the contamination on the environment.

Bill No. CS for CS for SB 1156

Amendment No. 2 Barcode 283262

1 5. In the case of projects with equal priority, the
2 extent to which other financial assistance is available.
3
4 Nothing in this paragraph shall be construed to restrict the
5 department from modifying the priority status of a
6 rehabilitation site where conditions warrant, taking into
7 consideration the actual distance between the contamination
8 site and groundwater or surface water receptors or other
9 factors that affect the risk of exposure to contaminants of
10 concern.
