Florida Senate - 2004

CS for CS for SB 116

By the Committees on Governmental Oversight and Productivity; Education; and Senator Clary

302-2074-04

	502-2074-04
1	A bill to be entitled
2	An act relating to education technology;
3	creating the Florida Teaching and Learning
4	Technology Initiative; providing for
5	implementation by the Department of Education;
б	providing for the appointment of a technology
7	evaluation committee; providing for membership
8	and duties of such committee; providing for the
9	administration of grants to school districts;
10	providing for the appointment of an independent
11	contractor to evaluate the Florida Teaching and
12	Learning Technology Initiative; requiring a
13	report to the Governor and Legislature;
14	providing an effective date.
15	
16	Be It Enacted by the Legislature of the State of Florida:
17	
18	Section 1. (1) FLORIDA TEACHING AND LEARNING
19	TECHNOLOGY INITIATIVE The Florida Teaching and Learning
20	Technology Initiative is created within the Department of
21	Education. The purpose of the Florida Teaching and Learning
22	Technology Initiative is to enhance public education through
23	the use of technology in the classroom, including portable,
24	wireless technology products fully configured for digital
25	<u>media; to motivate and assist students to achieve at high</u>
26	levels with the recognition that students have different
27	learning styles; to prepare students for the 21st century
28	workforce; and to increase parental involvement in student
29	academic achievement.
30	(2) ADMINISTRATIONThe Office of Educational
31	Technology within the Department of Education shall be

1 responsible for administering the Florida Teaching and 2 Learning Technology Initiative. In connection with this administrative responsibility, the Office of Educational 3 4 Technology shall undertake the following actions, without 5 limitation: б (a) Develop a public-private partnership between the 7 Department of Education and a vendor of education technology 8 products in order to offer to school districts, as needed, a learning solutions technology package that may include, 9 10 without limitation, hardware, software, digital content, professional development, services, and support. 11 12 (b) Subject to appropriation, provide grants to school districts in connection with the Florida Teaching and Learning 13 Technology Initiative. 14 (c) Provide for the evaluation of the efficacy of 15 program activities connected to the Florida Teaching and 16 17 Learning Technology Initiative. 18 (d) Consider the recommendations of the technology evaluation committee established pursuant to this section. 19 (3) TECHNOLOGY EVALUATION COMMITTEE. -- No later than 20 21 August 16, 2004, the Commissioner of Education shall appoint 2.2 seven members of a technology evaluation committee to review 23 partnership proposals from vendors in connection with the Florida Teaching and Learning Technology Initiative. 2.4 (a) The technology evaluation committee shall include: 25 1. A representative from the Florida Association of 26 27 School Administrators; 2.8 2. The chair of the Florida Task Force for Providing Laptops Universally for Learning; 29 30 31

1	(d) The committee shall review all bids or proposals
2	received from potential vendors pursuant to subsection (4) and
3	shall make a recommendation for selection of a vendor to the
4	Office of Educational Technology after a thorough review of
5	all information submitted by each potential vendor, but no
6	later than November 15, 2004.
7	(e) In appointing members of the committee, proper
8	consideration shall be given to persons with experience or
9	special knowledge in one or more of the following
10	areas: education, business, economic development, or
11	technology.
12	(4) EVALUATION OF PROPOSALS No later than August 16,
13	2004, the Department of Education shall issue an invitation to
14	bid or a request for proposals in accordance with section
15	287.057, Florida Statutes, to identify the vendor that will
16	partner with the Department of Education pursuant to the
17	Florida Teaching and Learning Technology Initiative. All bids
18	or proposals received shall be submitted to the technology
19	evaluation committee for review.
20	(a) The criteria for evaluation of vendors who submit
21	bids or proposals pursuant to this section shall be
22	established by the Office of Educational Technology, but shall
23	include, without limitation:
24	1. Experience in the development and successful
25	implementation of large-scale, school-based wireless
26	technology projects.
27	2. Demonstrated ability to deliver a learning
28	technology package for elementary and secondary school
29	students and teachers, including, without limitation, laptop
30	computers, devices using wireless or mobile technology,
31	

1 software, digital content, network services, maintenance, and 2 professional development. 3. Experience in developing results-based education 3 4 solutions to increase student achievement and advance 5 professional development for teachers. б 4. Ability to coordinate, use, and expand existing 7 technology infrastructures and professional development 8 delivery systems within school districts and regions. 9 5. Ability to provide a wireless or mobile technology 10 device with digital media capability that is capable of connecting to a wireless network and accessing schools' 11 12 preexisting local networks and the Internet, both wirelessly 13 from within the school and through remote connections from outside the school. 14 6. Willingness to provide a program manager that will 15 16 serve as the primary contact person or entity for the 17 Department of Education and school districts in connection 18 with the Florida Teaching and Learning Technology Initiative. (b) The bid or proposal best meeting all evaluation 19 criteria shall be selected by the Office of Educational 20 21 Technology after consideration of the recommendation of the 2.2 technology evaluation committee and after consultation with 23 the Florida State Technology Office. The bid or proposal recommended by the technology evaluation committee and chosen 2.4 by the Office of Educational Technology shall demonstrate 25 efficiency and use economies of scale, shall be operable with 26 27 existing technologies, and shall be consistent with the 2.8 state's economic development and education policies. (5) GRANTS. -- Subject to appropriation of funds by the 29 Legislature, the Office of Educational Technology shall 30 administer grants to school districts under this section, 31

1	which shall be used initially for the provision by the state
2	partner of wireless or mobile technology devices with digital
3	media capability, related technology, and related services to
4	students at grade levels 3, 6, 9, or 10 and their teachers,
5	with expansion to other grades over the course of the grant
б	term. If funds are appropriated for the grants established by
7	this section, the Department of Education shall publicize the
8	availability of the grants to all school districts as soon as
9	practicable after such appropriation is made. Each grant shall
10	be for a 3-year term, subject to yearly appropriation of funds
11	by the Legislature. Grants to school districts made pursuant
12	to this section shall be made on a competitive basis and shall
13	be no more than ten in number. No more than three grants may
14	be allocated to large school districts, no more than four
15	grants may be allocated to medium school districts, and no
16	more than three grants may be allocated to small school
17	districts. In the absence of a sufficient number of grant
18	applications for this allocation by school district size,
19	remaining grants shall be awarded at the discretion of the
20	Department of Education. The Department of Education shall
21	establish criteria for determining what characteristics
22	categorize school districts as small, medium, or large for
23	purposes of this section.
24	(a) The Office of Educational Technology shall
25	establish criteria for evaluating grant proposals submitted by
26	school districts pursuant to this section, which criteria
27	shall include, without limitation:
28	1. The school district's plan for improving learning
29	through the use of wireless technology.
30	
31	

1	2. The school district's ability to provide highly
2	qualified teachers, as defined by the No Child Left Behind Act
3	of 2001, for implementing the programs supported by the grant.
4	3. The school district's plan to share information and
5	findings related to the grant activities with other school
6	<u>districts.</u>
7	(b) A school district that receives a grant under this
8	section shall provide a 25-percent match from public or
9	private resources, in either cash or equivalent-value
10	services, to cover required training programs and professional
11	development for teachers in implementing the programs
12	supported by the grant.
13	(c) A school district may elect to purchase or lease
14	wireless laptop technology and related services from a vendor
15	other than the state partner selected pursuant to subsection
16	(4) at 75 percent of the grant amount if the school district's
17	chosen vendor meets the eligibility criteria for such vendors
18	set forth in subsection (4).
19	(6) INDEPENDENT PROGRAM EVALUATIONNo later than
20	September 30, 2004, the Office of Educational Technology shall
21	issue a second invitation to bid or request for proposals in
22	accordance with section 287.057, Florida Statutes, for an
23	independent contractor to evaluate the Florida Teaching and
24	Learning Technology Initiative.
25	(a) The criteria used by the independent contractor to
26	evaluate the Florida Teaching and Learning Technology
27	Initiative must include, but need not be limited to:
28	1. Improvement in student academic achievement in
29	reading and language arts, science, and mathematics
30	attributable to the initiative programs.
31	

1 Improvement in student engagement, as determined by 2 retention rates, dropout rates, detentions, and suspensions, which is attributable to the initiative programs. 3 4 Improvement in parental involvement and communication which is attributable to the initiative 5 6 programs. 7 4.
