11 Senator Constantine moved the following amendment:

Senate Amendment

14 On page 14, line 28, after the period

16 insert:

18 The rule shall permit the utilization of existing permitted
 19 municipal master stormwater systems with adequate capacity to
 20 meet the new standards in lieu of onsite retention and shall
 21 provide applicants with the ability to submit appropriate
 22 geotechnical information demonstrating that a specific site is
 23 not within a most effective recharge area of the Wekiva
 24 springshed.
