Amendment No. (for drafter's use only)

17 transfer funds from the Workers' Compensation Administration  
18 Trust Fund within the Department of Financial Services to the  
19 workers' compensation joint underwriting plan provided in s.  
20 627.311(5), Florida Statutes.

21 (a) The department shall establish a contingency reserve  
22 within the Workers' Compensation Administration Trust Fund, from  
23 which the department is authorized to expend funds as provided  
24 in the subsection, in an amount not to exceed \$10 million to be  
25 released only upon the approval of a budget amendment presented  
26 to the Legislative Budget Commission. For actuarial deficits  
27 projected for policyholders, based on actuarial best estimates,  
28 covered in subplan "D" prior to July 1, 2004, and upon  
29 verification by the Office of Insurance Regulation, the plan is  
30 authorized to request and the department is authorized to submit  
31 a budget amendment in an amount not to exceed \$10 million for  
32 the purpose of funding deficits in subplan "D".

33 (b) After the contingency reserve is established, whenever  
34 the board determines subplan "D" does not have a sufficient cash  
35 basis to meet 3 months of projected cash needs due to any  
36 deficit in subplan "D," the board is authorized to request the  
37 department to transfer funds from the contingency reserve fund  
38 within the Workers' Compensation Administration Trust Fund to  
39 the plan in an amount sufficient to fund the difference between  
40 the amount available and the amount needed to meet subplan "D"'s  
41 projected cash need for the subsequent 3-month period. The board  
42 and the office must first certify to the Department of Financial  
43 Services that there is not sufficient cash within subplan "D" to  
44 meet the projected cash needs in subplan "D" within the

45 subsequent 3 months. The amount requested for transfer to  
46 subplan "D" may not exceed the difference between the amount  
47 available within subplan "D" and the amount needed to meet  
48 subplan "D"'s projected cash need for the subsequent 3-month  
49 period, as jointly certified by the board and the Office of  
50 Insurance Regulation to the Department of Financial Services,  
51 attributable to the former subplan "D" policyholders. The  
52 Department of Financial Services may submit a budget amendment  
53 to request release of funds from the Workers' Compensation  
54 Administration Trust Fund, subject to the approval of the  
55 Legislative Budget Commission. The board will provide, for  
56 review of the Legislative Budget Commission, information on the  
57 reasonableness of the plan's administration, including, but not  
58 limited to, the plan of operations and costs, claims costs,  
59 claims administration costs, overhead costs, claims reserves,  
60 and the latest report submitted on administration cost reduction  
61 alternatives as required in s. 627.311(5)(c)17., Florida  
62 Statutes.

65 operational audit, as defined in s. 11.45(1), Florida Statutes,

74 (2) An evaluation of costs associated with the  
75 administration and servicing of the policies issued by the  
76 association to determine alternatives by which costs can be  
77 reduced.

78  
79 The Auditor General shall submit a report to the Governor, the  
80 President of the Senate, and the Speaker of the House of  
81 Representatives no later than December 31, 2004.

82 Section 4. The Workers' Compensation Joint Underwriting  
83 Association is subject to the Florida Single Audit Act, as  
84 provided in s. 215.97, Florida Statutes, if the association  
85 expends a total amount of state financial assistance equal to or  
86 in excess of \$300,000 in any fiscal year. Such audit reports  
87 shall be submitted to the President of the Senate, the Speaker  
88 of the House of Representatives, and the Governor pursuant to s.  
89 215.97, Florida Statutes.

90 Section 5. The sum of \$50,000 in nonrecurring funds is
