4 Remove lines 320-327 and insert:

5
6 23. For Tier One or Tier Two employers which employ no
7 nonexempt employees or which report payroll which is less than
8 the minimum wage hourly rate for one full-time employee for 1
9 year at 40 hours per week, the plan shall establish actuarially
10 sound premiums, provided, however, that the premiums may not
11 exceed \$2,500. These premiums shall be in addition to the fee
12 specified in subparagraph 26. When the plan establishes
13 actuarially sound rates for all employers in Tier One and Tier
14 Two, the premiums for employers referred to in this paragraph
15 are no longer subject to the \$2,500 cap.
