HB 1669 2004

A bill to be entitled

An act relating to Hillsborough County; providing definitions; providing purpose; authorizing purchases of goods and services by the county and other public bodies operating in the county under bids submitted to other federal, state, and local governmental entities; providing conditions; providing an exemption; providing construction; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

2.8

Section 1. As used in this act:

- (1) "Public body" means any entity created by the Florida Constitution, by general or special law, or by ordinance and operating solely within the geographic boundaries of Hillsborough County.
- (2) "Publicly advertised competitive sealed bidding process" means a process of receiving two or more sealed bids or proposals submitted by responsible vendors who respond to an invitation to bid or request for proposals solicited in a manner compliant with state law. The invitation to bid must include a detailed description of the goods and services sought, the time and date for the receipt of bids and of the public opening, and the contractual terms and conditions applicable to the procurement, including the criteria to be used in determining acceptability of the bid. Solicitations for invitations to bid or requests for proposals include solicitations that are electronically posted as authorized under state law.
 - Section 2. The purpose of this act is to facilitate the

HB 1669 2004

purchase of goods and services by a public body by enabling a public body to engage in cooperative purchasing practices with other federal, state, and local governmental entities.

Section 3. A public body may purchase goods and services under the terms of a bid submitted to and accepted by any other federal, state, or local governmental entity and under the terms of a contract with such other governmental entity, provided that such bid or contract results from a publicly advertised competitive sealed bidding process.

Section 4. Any cooperative purchase made under the provisions of this act is exempt from the requirements for advertising for bids and for competitive sealed bidding otherwise applicable to such purchases, provided that the governmental entity that acts as a purchasing partner to a public body has complied with the requirements of a publicly advertised competitive sealed bidding process.

Section 5. This act provides a supplemental, additional, and alternative method of purchasing and is not in derogation of any purchasing powers now existing, including the powers provided for in chapter 69-1119, Laws of Florida.

Section 6. This act shall take effect upon becoming a law.
