1 Representative Gannon offered the following:

2

3 **Amendment to Amendment (934727) (with title amendment)**

4 Between line(s) 29 and 30, insert:

5 Section 4. Effective January 1, 2006, subsection (13) of  
6 section 101.5606, Florida Statutes, is amended, and subsection  
7 (16) is added to said section, to read:

8 101.5606 Requirements for approval of systems.--No  
9 electronic or electromechanical voting system shall be approved  
10 by the Department of State unless it is so constructed that:

11 (13) It is capable of producing a voter-verified paper  
12 record ~~providing records~~ from which the operation of the voting  
13 system may be audited that meets the following requirements:-

14 (a) The voting system shall produce a permanent paper  
15 record, which shall be made available for inspection and  
16 verification by the voter at the time the vote is cast and which

Amendment No. (for drafter's use only)

17 shall be maintained and preserved by the supervisor of elections  
18 in the manner in which all other paper ballots are preserved by  
19 the supervisor for later use in any manual audit or recount.

20 (b) The voting system shall provide the voter with an  
21 opportunity to correct any error made by the system before the  
22 permanent record is preserved for use in any manual audit or  
23 recount.

24 (c) The voter-verified paper record shall be the official  
25 record used for any recount conducted with respect to any  
26 election in which the system is used.

27 (d) The voter-verified paper record shall not be produced  
28 on thermal paper.

29 (16) It cannot at any time contain or use undisclosed  
30 software or does not contain any wireless communication device.
