The Committee on Criminal Justice recommended the following amendment:

Senate Amendment (with title amendment)

On page 3, between lines 22 and 23,

insert:

(7) The seaport security director for each seaport identified in s. 311.09 or any agent or employee thereof designated by the seaport security director to maintain order and provide security within the seaport, who has probable cause to believe that a person is trespassing in a designated restricted access area of a seaport may take such person into custody and detain him or her in a reasonable manner for a reasonable length of time pending the arrival of a law enforcement officer. Such taking into custody and detention by an authorized person does not render that person criminally or civilly liable for false arrest, false imprisonment, or unlawful detention. If a trespasser is taken into custody, a law enforcement officer shall be called to the scene immediately after the person is taken into custody.
