4 Remove lines 9-12 and insert:

5 the performance of services must specify that vendors shall be  
6 required to agree, as a provision in the contract, to use only  
7 residents of this state as the providers of the services. This  
8 requirement also applies to any employees or other business  
9 entities subcontracted for services by the vendor under such  
10 contract. The requirement may be waived if the Department of  
11 Management Services determines that a compelling state interest  
12 exists to waive the requirement and such a determination is  
13 approved by the Administration Commission. If a contractor is  
14 found to be in violation of the
