

HB 0195

2004

A bill to be entitled

An act relating to instructional materials for K-12 public education; authorizing the Department of Education to conduct a pilot program; authorizing a pilot program within specified counties to enable selected school districts to realize cost savings in the purchase of used instructional materials; imposing requirements on the vendors of such materials; absolving the state from responsibility for certain financial losses; requiring the Council for Education Policy Research and Improvement to report to the Legislature; providing for future repeal; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Notwithstanding section 1006.37, Florida Statutes, the Department of Education may conduct a pilot program to enable selected school districts to realize cost savings without loss of quality or availability for individual students in the purchase of used instructional materials. The school districts of Hernando County, Pasco County, and Polk County may participate in the pilot program. Charter schools in those school districts may also participate in the pilot program. When a secondhand book dealer or other third-party book vendor provides used adopted instructional materials to a school district, the dealer or vendor must certify the availability of the used instructional materials, provide the International Standard Book Number of each of the used instructional materials, and certify that such materials are not samples or first printings, are the most currently adopted, Florida-
