Senate Amendment

On page 6, lines 3-9, delete those lines

and insert:

(d) Fund such other purposes as the Legislature determines; however, \$16 million of the proceeds received under this act shall be provided annually through quarterly disbursements to the Department of Health, for the purposes of implementing a statewide anti-smoking marketing, educational and advertising campaign to reduce youth tobacco use. The Department of Health shall conduct surveillance and evaluations to measure program performance and improve implementation strategies. The Department of Health may contract for any of the activities specified in this section.
