Senator Siplin moved the following amendment:

**Senate Amendment (with title amendment)**

On page 134, between lines 7 and 8,

insert:

Section 100. Subsection (3) of section 478.51, Florida Statutes, is amended to read:

478.51 Electrology facilities; requisites; facility licensure; inspection.--

(3) The board shall adopt rules governing the licensure and operations of such facilities, personnel, safety and sanitary requirements, and the licensure application and granting process. Licensed electrologists using laser or light-based hair-removal equipment in licensed electrology facilities must work within readily available telephonic or other form of telecommunications with the supervising physician.
