1 Representative Garcia offered the following:

3 **Amendment to Amendment (954111) (with title amendment)**

4 Between lines 3939 and 3940 insert:

5 Section 113. The Agency for Health Care Administration
6 shall contract on a statewide basis with an eye care company on
7 a capitated basis by October 1, 2004. The capitated amount shall
8 be no more than 90 percent of the current Medicaid fee for
9 service per member per month and shall cover all of the vision
10 services available to Medicaid recipients. The qualified vendor
11 must be licensed under chapter 627, Florida Statutes, have a
12 contracted statewide provider network, have experience in
13 providing medical and surgical vision care for at least 5 years,
14 and be in good standing with the agency and the federal centers
15 for Medicare and Medicaid. The agency is authorized to seek
16 Medicaid waivers as necessary to implement this program.
