Senator Garcia moved the following amendment:

Senate Amendment

On page 3, between lines 2 and 3,

insert:

(4) "Computer virus" means a computer program that is designed to replicate itself or affect another program or file in the computer by attaching a copy of the program or other set of instructions to one or more computer programs or files without the consent of the owner or lawful user. The term includes, but is not limited to, programs that are designed to contaminate other computer programs; compromise computer security; consumer computer resources; modify, destroy, record, or transmit data; or disrupt the normal operation of the computer, computer system, or computer network. The term also includes, but is not limited to, programs that are designed to use a computer without the knowledge and consent of the owner or authorized user and to send large quantities of data to a targeted computer network without the consent of the network for the purpose of degrading the targeted
