Senator Atwater moved the following amendment:

Senate Amendment (with title amendment)

On page 2, line 26, through page 3, line 7, delete those lines

and insert:

(1) A water management district that has structures or facilities identified as critical infrastructure by the Regional Security Task Force created pursuant to s. 943.0312, shall conduct a fingerprint-based criminal history check for any current or prospective employee and others designated pursuant to the water management district's security plan for buildings, facilities, and structures if those persons are allowed regular access to those buildings, facilities, or structures defined in the water management district's security plan as restricted access areas.

(2) A water management district that has structures or facilities that are not identified as critical infrastructure by the Regional Security Task Force created pursuant to s. 943.0312, may
