24  
25 Be It Enacted by the Legislature of the State of Florida:

26  
27 Section 1. Section 267.0625, Florida Statutes, is  
28 created to read:

29 267.0625 Abrogation of offensive and derogatory  
30 geographic place names.--

31

1       (1) The Legislature finds that certain place names for  
2 geographic sites are offensive or derogatory to the state's  
3 people, history, and heritage. The state encourages tolerance  
4 and understanding between all of its residents and these  
5 geographic place names are a barrier to that effort. The  
6 Legislature finds that these offensive or derogatory place  
7 names should be replaced by names that reflect the state's  
8 people, history, and heritage without resorting to offensive  
9 stereotypes, slurs, names, words, or phrases.

10       (2) As used in this section, the term:

11           (a) "Commission" means the Florida Historical  
12 Commission within the Department of State.

13           (b) "Geographic site" means a location or  
14 publicly-owned structure in this state, and includes, but is  
15 not limited to, rivers and other navigable waters of the  
16 state, geographic features, and parks, or state or local  
17 roads, bridges, and publicly-owned buildings.

18           (c) "Offensive or derogatory place names" means a  
19 place name that is a racial, ethnic, or religious slur.

20       (3)(a) By October 1, 2004, each state agency or  
21 political subdivision that owns or manages public land,  
22 waters, or structures in this state shall identify any  
23 geographic sites under its jurisdiction which contain  
24 offensive or derogatory place names as defined in subsection  
25 (2) and shall file a report identifying those names with the  
26 division. A political subdivision shall also include a  
27 recommended replacement name for each identified offensive or  
28 derogatory place name.

29           (b) The division shall compile the reports required to  
30 be filed pursuant to this section and provide a copy to the  
31 commission. The commission shall advise the division in its

1 review of recommended place names and in the development of  
2 alternative names to replace offensive or derogatory place  
3 names with place names that reflect the state's diversity and  
4 culture.

5 (c) By March 1, 2005, the division shall choose a new  
6 name for each geographic site reported by an agency or  
7 political subdivision.

8 (4) The division shall:

9 (a) Notify each entity that has reported an offensive  
10 or derogatory place name pursuant to subsection (3) of the  
11 alternative name selected by the division; each agency or  
12 political subdivision shall ensure that whenever it updates a  
13 map or recorded plat, or replaces a sign, interpretive marker,  
14 or any other marker because of wear or vandalism, the new name  
15 is used.

16 (b) Notify the Department of Transportation, the  
17 Office of Tourism, Trade, and Economic Development, the  
18 Department of Management Services, and any other entity that  
19 compiles information for or develops maps or markers for the  
20 state of the name change so that it may be reflected on  
21 subsequent editions of any maps, informational literature, or  
22 markers produced by those entities.

23 (c) Place a formal request with the United State Board  
24 on Geographic Names to render a decision on each proposed name  
25 change so that each new name will be reflected on all maps of  
26 the United States Board on Geographic Names.

27 (d) Report to the Governor and the Legislature by no  
28 later than July 1, 2005, regarding implementation of the  
29 provisions of this section by the department. The report shall  
30 identify at least the following:

31

- 1           1. Each offensive or derogatory place name identified  
2 by an agency or political subdivision.  
3           2. The replacement name selected by the department.  
4           3. Whether any markers and maps have been changed to  
5 reflect the name changes.

7 with the United State Board of Geographic Names and whether  
8 those changes have been made.  
9           5. Any other relevant information that the department  
10 finds appropriate.

11           Section 2. This act shall take effect July 1, 2004.
