The Committee on Natural Resources recommended the following amendment:

Senate Amendment (with title amendment)

On page 4, between lines 9 and 10,

insert:

Section 2. Subsection (1) of section 1013.20, Florida Statutes, is amended to read:

1013.20 Standards for relocatables used as classroom space; inspections.--

(1) The State Board of Education shall adopt rules establishing standards for relocatables intended for long-term use as classroom space at a public elementary school, middle school, or high school. "Long-term use" means the use of relocatables at the same educational plant for a period of 4 years or more. Each relocatable acquired by a district school board after the effective date of the rules and intended for long-term use must comply with the standards. District school boards shall submit a plan for the use of existing relocatables within the 5-year work program to be reviewed and

1 approved by the commissioner by January 1, 2003. A progress
2 report shall be provided by the commissioner to the Speaker of
3 the House of Representatives and the President of the Senate
4 each January thereafter. Relocatables that fail to meet the
5 standards after completion of the approved plan may not be
6 used as classrooms. The standards shall protect the health,
7 safety, and welfare of occupants by requiring compliance with
8 the Florida Building Code or the State Requirements for
9 Educational Facilities for existing relocatables, as
10 applicable, to ensure the safety and stability of construction
11 and onsite installation; fire and moisture protection; air
12 quality and ventilation; appropriate wind resistance; and
13 compliance with the requirements of the Americans with
14 Disabilities Act of 1990. If appropriate and where
15 relocatables are not scheduled for replacement, the standards
16 must also require relocatables to provide access to the same
17 technologies available to similar classrooms within the main
18 school facility and, if appropriate, ~~and~~ where relocatables
19 are not scheduled for replacement, at the discretion of the
20 local school board, may ~~to~~ be accessible by adequate covered
21 walkways. A relocatable that is subject to this section and
22 does not meet the standards shall not be reported as providing
23 satisfactory student stations in the Florida Inventory of
24 School Houses.
