HB 0489

2004 Legislature

A bill to be entitled

An act relating to the Pinellas County Construction Licensing Board; amending s. 11, chapter 75-489, Laws of Florida, as amended; providing that certain definitions in general law which relate to contracting also apply to the board; providing that specified definitions in chapter 75-489, Laws of Florida, as amended, shall remain as rules of the board, subject to amendment by it; providing for severability; providing an effective date.

WHEREAS, the Legislature recognizes that the Pinellas County Construction Licensing Board has in the past, pursuant to authority granted by special act, created specialty contractor licensure classifications that were in turn incorporated by the Legislature into the board's enabling legislation, and

WHEREAS, the Legislature recognizes that, as the construction industry is constantly changing through time to include new techniques, materials, and standards being used, licensure classifications need to change concurrently to provide for those new techniques, materials, and standards and prevent unintended results, and

WHEREAS, the clear goal of the Legislature in creating the board was to obtain and maintain consistency within construction contracting licensure throughout Pinellas County, and

WHEREAS, since the initial passage of the board's enabling legislation, the Legislature has added two other contractor definitions in general law which, in the interest of consistency, should be added to the board's enabling legislation, and
