Senator Bennett moved the following amendment:

**Senate Amendment (with title amendment)**

On page 1, between lines 20 and 21,

insert:

Section 2. Subsection (12) is added to section 553.73, Florida Statutes, to read:

553.73 Florida Building Code.--

(12) For type "S" buildings, as defined in the Florida Building Code, all space under mezzanines, both enclosed and not enclosed, shall be included in the determination of the size of the room or space in which the mezzanine is located. Mezzanines shall not exceed one-third of the room or space in which they are located. The fee owner or the fee owner's architect may elect, but may not be required by rule or action, to have mezzanines which are less than one-third of the room or space in which they are located. The requirements of this subsection apply retroactively to January 1, 2001.

(Redesignate subsequent sections.)
