Senators Fasano and Campbell moved the following amendment:

**Senate Amendment**

On page 5, lines 26 - 30, and  
page 15, lines 10 - 14, delete those lines

and insert:

(q) "Direct supervision" means the on-site, personal supervision by an anesthesiologist who is present in the office when the procedure is being performed in that office, or is present in the surgical or obstetrical suite when the procedure is being performed in that surgical or obstetrical suite and who is in all instances immediately available to provide assistance and direction to the anesthesiologist assistant while anesthesia services are being performed.
