1 Representative Sobel offered the following:

2

3 **Amendment**

4 Remove lines 235-254 and insert:

5 (1)(a) The prekindergarten school shall maintain an
6 accurate school profile containing the information required in
7 s. 1002.53(5) and other objective measures and keep this profile
8 readily available and easy to access and understand by parents
9 of children attending the school and parents interested in the
10 school for their child.

11 (b) The prekindergarten school shall provide the
