The Committee on Government Efficiency Appropriations
(Campbell) recommended the following amendment:

Senate Amendment

In title, on page 1, line 26, after the first
semicolon,
insert:
 providing for hurricane relief loans to be made
 to certain businesses whose core business
 operations have been irreparably damaged due to
 a named tropical system; requiring that
 applications for such relief loans be made to
 the Department of Community Affairs; limiting
 the amount of hurricane relief loans;
 establishing conditions of eligibility for
 hurricane relief loans;
