Senator Webster moved the following **amendment to amendment**
(524102):

Senate Amendment

On page 5, lines 5-16, delete those lines

and insert:

(a) Is a board-certified pathologist licensed to practice and actively practices in this country who performed services requested or authorized by a physician who:

1. Has conducted a physical examination of the exposed person or, if the person is deceased, has reviewed all available records relating to the exposed person's medical condition;

2. Is actually treating or treated the exposed person, and has or had a doctor-patient relationship with the person;
and

3. Is licensed to practice and actively practices in this country; or

(b) Is a board-certified oncologist, pulmonary specialist, or specialist in occupational and environmental

Bill No. HB 1019, 1st Eng.

Barcode 040188

1 medicine who:

2 1. Has conducted a physical examination of the exposed
3 person or, if the person is deceased, has reviewed all
4 available records relating to the exposed person's medical
5 condition;

6 2. Is actually treating or treated the exposed person,
7 and has or had a doctor-patient relationship with the person;
8 and

9 3. Is licensed to practice and actively practices in
10 this country.
