The Committee on Health Care (Rich) recommended the following
amendment to amendment (914420):

Senate Amendment

On page 3, lines 1-8, delete those lines

and insert: physician specializes in mental health care for
children and adolescents, the court may not order the
discontinuation of prescribed psychotropic medication unless
the required opinion is also from a physician who specializes
in mental health care for children and adolescents. The court
may also order the discontinuation of prescribed psychotropic
medication if a child's treating physician, licensed under
chapter 458 or chapter 459, states that continuing the
prescribed psychotropic medication would cause significant
harm to the child due to a diagnosed nonpsychiatric medical
condition.
