1 developmentally disabled licensed pursuant to part XI of
2 chapter 400, unlicensed staff designated by the director may
3 provide medication assistance under the general supervision of
4 a registered nurse licensed pursuant to chapter 464.

5 (2) Notwithstanding part I of chapter 464, the Nurse
6 Practice Act, unlicensed direct care staff who provide
7 services to persons with developmental disabilities in a
8 comprehensive transitional education program licensed pursuant
9 to s. 393.067 and who are designated by the director of such
10 program may administer, or assist in the administration of,
11 oral, otic, transdermal, ophthalmic, inhaled, rectal, or
12 topical prescription medications under the general supervision
13 of a registered nurse licensed pursuant to chapter 464 as
14 provided in this section.

15 (3)(2) Each facility, institution, or program must
16 include in its policies and procedures a plan for training
17 designated staff to ensure the safe handling, storage, and
18 administration of prescription medication. These policies and
19 procedures must be approved by the agency before unlicensed
20 direct care services staff assist with medication.

21 (4)(3) The policies and procedures must include, at a
22 minimum, the following provisions:

23 (a) An expressed and informed consent for each client.

24 (b) The director of the facility, program, or provider
25 must maintain a copy of the written prescription, and that
26 prescription must include the name of the medication, the
27 dosage and administration schedule, the reason for the
28 prescription, and the termination date.

29 (c) Each prescribed medication shall be kept in its
30 original container and in a secure location.

31 (5)(4) The training required in this section shall be
