

HOUSE MESSAGE SUMMARY

[s1144.hms]

BILL: SB 1144
SPONSOR: Senator Argenziano
SUBJECT: Reorganization and Classification of Public Records Exemptions
PREPARED BY: Senate Committee on Governmental Oversight and Productivity
DATE: April 26, 2005

I. Amendments Contained in Message:

Changes relocation of an exemption from s. 112.31891 to s. 112.3190.

II. Summary of Amendments Contained in Message:

The House amendment is technical.

The bill transfers an existing exemption for the Inspector General out of ch. 119, F.S., to a new s. 112.31891, F.S.

The Inspector General would prefer relocating the exemption to s. 112.3190, F.S., instead (so that it does not appear to relate to the Whistleblower Act), and that is all the amendment does.
