The Committee on Regulated Industries (Geller) recommended the following **amendment to amendment** (682828):

Senate Amendment

On page 10, line 15, following the period

insert: For the purpose of enforcing this section, the division shall require every authorized slot machine in use at a licensed premise to be equipped with an electronic data collection and reporting system that is capable of reporting on a real-time basis to the division or any other state agency designated to receive such information the record of each play, the amount of money of each play, and all payouts made therefrom for the purpose of accurately reporting all taxes that are due to the state and for such other purposes as the division designates.
