1 postgraduate training requirements by completing a 2-year
2 externship at a nonstatutory teaching hospital licensed in
3 this state. The training provided in the externship must be
4 substantially similar, as defined by board rule, to the
5 training provided in an approved residency as described in
6 sub-subparagraphs (1)(f)1.c., 2.c., or 3.c. In order for the
7 externship to meet the requirements of this section, it must
8 be approved by the board before the applicant enters into the
9 externship. The applicant may not be licensed under this
10 section unless the board finds that the applicant has
11 successfully completed the externship. The board may adopt
12 rules to administer this section, including the implementation
13 of fees to cover costs.
