(2) MUNICIPALITIES.--

(a) Chartered municipalities shall have original jurisdiction over all streets and highways located within their boundaries, except state roads, and may place and maintain such traffic control devices which conform to the manual and specifications of the Department of Transportation upon all streets and highways under their original jurisdiction as they shall deem necessary to indicate and to carry out the provisions of this chapter or to regulate, warn, or guide traffic.

1 private road or roads, or over any limited access road or
 2 roads owned or controlled by a special district, located
 3 within its boundaries if the municipality and party or parties
 4 owning or controlling such road or roads provide, by written
 5 agreement approved by the governing body of the municipality,
 6 for municipal traffic control jurisdiction over the road or
 7 roads encompassed by such agreement. Pursuant thereto:

8 1. Provision for reimbursement for actual costs of
 9 traffic control and enforcement and for liability insurance
 10 and indemnification by the party or parties, and such other
 11 terms as are mutually agreeable, may be included in such an
 12 agreement.

13 2. The exercise of jurisdiction provided for herein
 14 shall be in addition to jurisdictional authority presently
 15 exercised by municipalities under law, and nothing in this
 16 paragraph shall be construed to limit or remove any such
 17 jurisdictional authority. Such jurisdiction includes
 18 regulation of access to such road or roads by security devices
 19 or personnel.

20 3. Any such agreement may provide for the installation
 21 of multiparty stop signs by the parties controlling the roads
 22 covered by the agreement if a determination is made by such
 23 parties that the signage will enhance traffic safety.
 24 Multiparty stop signs must conform to the manual and
 25 specifications of the Department of Transportation; however,
 26 minimum traffic volumes may not be required for the
 27 installation of such signage. Enforcement for the signs shall
 28 be as provided in s. 316.123.

29 (c) Notwithstanding any other provision of law to the
 30 contrary, a municipality may, by interlocal agreement with a
 31 county, agree to transfer traffic regulatory authority over
