The Committee on Government Efficiency Appropriations
(Campbell) recommended the following amendment:

Senate Amendment

On page 9, between lines 28 & 29,

insert:

(9) Any person that engages in the transportation of natural or manufactured gas is required to furnish annually to the Department of Revenue a list of customers to whom transportation services were provided in the prior year. This reporting requirement does not apply to distribution companies. Any person required to furnish such a list may elect to identify only those customers who take direct delivery without purchasing interconnection services from a distribution company. Such reports shall be subject to the confidentiality provisions of s. 213.053. Any person required to furnish a customer list may instead comply by maintaining a publicly-accessible customer list on its internet website. Such list shall be updated no less than annually.
