A bill to be entitled

An act relating to labor pools; amending s. 448.24, F.S.; authorizing a labor pool to provide day laborers with a method of obtaining cash from a cash-dispensing machine; providing criteria for the use of a cash-dispensing machine; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Subsection (7) is added to section 448.24, Florida Statutes, to read:

448.24 Duties and rights.--

(7) Nothing in this section shall preclude the labor pool from providing a day laborer with a method of obtaining cash from a cash-dispensing machine operated by the labor pool, or by an affiliate, which is located on the premises of the labor pool for a fee per transaction not to exceed \$1, provided:

(a) The labor pool offers payment in compliance with the provisions of paragraph (2)(a) in the form of commonly accepted negotiable instruments that are payable in cash, on demand at a financial institution, and without discount.

(b) The day laborer voluntarily elects to accept payment in cash after disclosure of the fee.

(c) The cash-dispensing machine requires affirmative action by the day laborer with respect to imposition of the fee and allows the day laborer to negate the transaction in lieu of payment in compliance with paragraph (2)(a).

Section 2. This act shall take effect July 1, 2005.
