The Committee on Government Efficiency Appropriations
(Haridopolos) recommended the following amendment:

Senate Amendment

On page 4, line 1,

insert:

Section 2. Effective January 1, 2006, the Department of Revenue shall establish a toll-free number for the verification of valid registration numbers and resale certificates. The system must be adequate to guarantee a low busy rate, must respond to keypad inquiries, and must provide data that is updated daily.

Section 3. The Department of Revenue shall establish a system, effective January 1, 2006, for receiving information from dealers regarding certificate numbers of those who are seeking to make purchases for resale. The department must provide such dealers, free of charge, with verification of those numbers that are cancelled or invalid.

(Redesignate subsequent sections.)
