Such consumer is 26 not required to resort to a procedure certified pursuant to s. 27 28 681.108, notwithstanding that one of the manufacturers of the 29 recreational vehicle has such a procedure. Such consumer is 30 not required to resort to arbitration conducted by the board, 31 except as provided in s. 681.1096(4) and in this section.

(2) A consumer acquiring a recreational vehicle must 1 2 apply to participate in this program with respect to a claim 3 arising during the Lemon Law rights period by filing the application in subsection (3) with the program department no 4 later than 60 days after the expiration of the Lemon Law 5 rights period. The claim is considered filed when the б 7 application is date-stamped as received by the program. 8 (3) The consumer's application for participation in 9 the program must be on a form prescribed or approved by the program department. The program administrator department shall 10 screen all applications to participate in the program to 11 determine eligibility. (a) If the department determines the application lacks 16 sufficient information from which a determination of 17 18 eligibility can be made, the department shall request 19 additional information from the consumer and, upon review of such additional information, shall determine whether the 20 application is eligible or reject the application as 21 22 incomplete. 23 (b) The department shall reject any application it 24 determines to be fraudulent or outside the scope of this 25 chapter. (a) (c) The consumer and the manufacturer shall be 26 notified in writing by the program administrator department if 27 28 an application is rejected. Such notification of rejection 29 shall include a brief explanation as to the reason for the 30 rejection. 31

1	<u>(b)(d)</u> If the <u>program administrator</u> department rejects
2	a dispute, the consumer may file a lawsuit to enforce the
3	remedies provided under this chapter. In any civil action
4	arising under this chapter and relating to the matter
5	considered by the program department, any determination made
6	to reject a dispute is admissible in evidence.
7	(e) The department may delegate responsibility for the
8	screening of claims to the program, in which event claims
9	filed with the department shall be forwarded to the program
10	administrator and the provisions of this section shall apply
11	to claims screened by the program.
12	(4) Mediation shall be mandatory for both the consumer
13	and manufacturer, unless the dispute is settled prior to the
14	scheduled mediation conference. The mediation conference shall
15	be confidential and inadmissible in any subsequent adversarial
16	proceedings. Participation shall be limited to the parties
17	directly involved in the dispute and their attorneys, if any.
18	All manufacturers shall be represented by persons with
19	settlement authority. The parties may, by agreement, consent
20	to expand the scope of a mediation conference to attempt to
21	resolve warranty claims by the consumer which may not be
22	covered under this chapter, if such claims were reported by
23	the consumer to the manufacturer or its authorized service
24	agent during the term of the manufacturer's express warranty.
25	(a) Upon <u>determination that an application is eligible</u>
26	receipt of an eligible application, the program administrator
27	shall notify the consumer and all involved manufacturers in
28	writing that an eligible application has been received. Such
29	notification shall include a statement that a mediation
30	conference will be scheduled, shall identify the assigned
31	mediator, and provide information regarding the program's

11

procedures. The program administrator shall provide all 1 2 involved manufacturers with a copy of the completed application and obtain from each manufacturer a written 3 response to the allegations contained in the application along 4 with copies of any documents in support of such response. The 5 written response shall be on a form and submitted in the б 7 manner prescribed by the program. 8 (b) The mediator shall be selected and assigned by the 9 program administrator. The parties may factually object to a mediator based upon the mediator's past or present 10 relationship with a party or a party's attorney, direct or 11 indirect, whether financial, professional, social, or of any 12 13 other kind. The program administrator shall consider any such 14 objection, determine its validity, and notify the parties of any determination. If the objection is determined valid, the 15 program administrator shall assign another mediator to the 16 17 case. 18 (c) At the mediation conference, the mediator shall 19 assist the parties' efforts to reach a mutually acceptable settlement of their dispute; however, the mediator shall not 20 impose any settlement upon the parties. 21 22 (d) Upon conclusion of the mediation conference, the 23 mediator shall notify the program administrator that the case 24 has settled or remains at an impasse. The program administrator shall notify the department in writing of the 25 26 outcome of the mediation. (e) If the mediation conference ends in an impasse, it 27 28 shall proceed to arbitration pursuant to subsection (5). The 29 program administrator shall immediately notify the parties in writing that the dispute will proceed to arbitration and shall 30 31 identify the assigned arbitrator.

1	(f) If the parties enter into a settlement at any time
2	after the dispute has been submitted to the program, such
3	settlement must be reduced to <u>legible</u> writing, signed by the
4	consumer and all involved manufacturers, and filed with the
5	program administrator. The program administrator shall send a
б	copy to the department. All settlements must contain, at a

9	2. Name and address of each involved manufacturer.
10	3. Year, make, model, and vehicle identification
11	number of the subject recreational vehicle.
12	4. Name and address of the dealership from which the
13	recreational vehicle was acquired.
14	5. Date the claim was received by the program
15	administrator.
16	6. Name of the mediator <u>or</u> and/or arbitrator, if any.
17	7. <u>A complete</u> statement of the terms of the agreement,
18	including, but not limited to: whether the vehicle is to be
19	reacquired by a manufacturer and the identity of the
20	manufacturer that will reacquire the vehicle; the amount of
21	any moneys to be paid by the consumer <u>or</u> and/or a
22	manufacturer; the year, make, and model of any replacement
23	motor vehicle or motor vehicle accepted by the consumer as a
24	trade-assist; the date, time, location, and nature of any
25	agreed upon repair or replacement of a component part or
26	accessory and an estimate as to the anticipated length of time
27	for such repair or replacement; and a time certain for
28	performance not to exceed 40 days from the date the settlement
29	agreement is signed by the parties.
30	(g) If a manufacturer fails to perform within the time
31	required in any settlement agreement, the consumer must notify

13

1	the program administrator of such failure in writing within $\underline{30}$
2	$rac{10}{10}$ days of the required performance date. Within 10 days of
3	receipt of such notice, the program administrator shall
4	determine whether the dispute is eligible to proceed to
5	arbitration notify the department of the manufacturer's
б	failure in compliance and shall schedule the matter for an
7	arbitration hearing pursuant to subsection (5). <u>If the program</u>
8	administrator determines the dispute is not eligible for
9	arbitration, the dispute shall be rejected pursuant to
10	subsection (3).
11	(5) If the mediation ends in an impasse, or if a
12	manufacturer fails to comply with the settlement entered into
13	between the parties, the program administrator shall schedule
14	the dispute for an arbitration hearing. Arbitration
15	proceedings shall be open to the public on reasonable and
16	nondiscriminatory terms.
17	(a) The arbitration hearing shall be conducted by a
18	single arbitrator assigned by the program administrator. The
19	arbitrator shall not be the same person as the mediator who
20	conducted the prior mediation conference in the dispute. The
21	parties may factually object to an arbitrator based on the
22	arbitrator's past or present relationship with a party or a
23	party's attorney, direct or indirect, whether financial,
24	professional, social, or of any other kind. The program
25	administrator shall consider any such objection, determine its
26	validity, and notify the parties of any determination. If the
27	objection is determined valid, the program administrator shall
28	assign another arbitrator to the case.
29	(b) The arbitrator may issue subpoenas for the
30	attendance of witnesses and for the production of records,
31	documents, and other evidence. Subpoenas so issued shall be

14

served and, upon application to the court by a party to the 1 2 arbitration, enforced in the manner provided by law for the service and enforcement of subpoenas in civil actions. Fees 3 for attendance as a witness shall be the same as for a witness 4 in the circuit court. 5 (c) At all program arbitration proceedings, the б 7 parties may present oral and written testimony, present 8 witnesses and evidence relevant to the dispute, cross-examine 9 witnesses, and be represented by counsel. The technical rules of evidence as are applicable to civil court proceedings do 10 not apply to arbitrations conducted by the program. The 11 arbitrator shall record the arbitration hearing and shall have 12 13 the power to administer oaths. The arbitrator may inspect the 14 vehicle if requested by a party or if the arbitrator considers such inspection appropriate. The parties may, by mutual 15 written agreement, consent to expand the scope of the 16 arbitration hearing to permit consideration by the arbitrator 17 of warranty claims by the consumer that may not be covered 18 19 under this chapter, provided such claims were first reported by the consumer to the manufacturer or its authorized service 20 agent during the term of the manufacturer's express warranty. 21 (d) The program arbitrator may continue a hearing on 2.2 23 his or her own motion or upon the request of a party for good 24 cause shown. A request for continuance by the consumer constitutes a waiver of the time period set forth in s. 25 681.1096(3)(k) for completion of all proceedings under the 26 27 program. (e) Where the arbitration is the result of a 28 29 manufacturer's failure to perform in accordance with a 30 settlement agreement, any relief to the consumer granted by 31

15

the arbitration will be no less than the relief agreed to by 1 2 the manufacturer in the settlement agreement. (e)(f) The arbitrator shall, in rendering decisions, 3 take into account all legal and equitable factors germane to a 4 fair and just decision, including, but not limited to, the 5 warranty and the provisions of this chapter grant relief if a б 7 reasonable number of attempts have been undertaken to correct 8 a nonconformity or nonconformities. 9 (f) (g) The program arbitrator shall render a decision within 10 days of the closing of the hearing. Compliance occurs on the date the consumer receives delivery of an acceptable replacement motor 20 vehicle or the relief refund specified in the arbitration 21 22 award. 23 (h) If a manufacturer fails to comply within the time 24 required, and no appeal has been filed, the consumer shall must notify the program administrator of such failure in 25 writing within <u>30</u> 10 days. The program administrator shall 26 notify the department of a manufacturer's failure to comply. A 27 28 consumer may apply to a court of competent jurisdiction in 29 this state for entry of an order confirming the award. Such application shall be by motion filed within 40 days after the 30 manufacturer's failure to comply and shall be heard in the 31

manner and upon notice provided by law or rule of court for 1 2 the making and hearing of motions. Such application shall be served in the manner provided by law for the service of a 3 civil summons. The consumer shall send a copy of the 4 application for confirmation of the award and any order 5 entered by the court confirming the award to the program б 7 administrator. The department shall have the authority to 8 enforce compliance with arbitration decisions under this 9 section in the same manner as is provided for enforcement of compliance with board decisions under s. 681.1095(10). In any 10 civil action arising under this chapter and relating to a 11 dispute arbitrated pursuant to this section, the decision of 12 13 the arbitrator is admissible in evidence. 14 (i) Either party may request that the program arbitrator make a technical correction to the decision by 15 filing a written request with the program administrator within 16 10 days after receipt of the written decision. Technical 17 18 corrections shall be limited to computational errors, 19 correction of a party's name or information regarding the recreational vehicle, and typographical or spelling errors. 20 Technical correction of a decision shall not toll the time for 21 filing an appeal or for manufacturer compliance. 2.2 23 (6) Except as otherwise provided, all provisions in 24 this section pertaining to mandatory mediation and arbitration, eligibility screening, mediation proceedings, 25 arbitration hearings and decisions, and any appeals thereof 26 are exempt from the provisions of chapter 120. 27 28 (7) A decision of the arbitrator is binding unless 29 appealed by either party by filing a petition with the circuit court within the time and in the manner prescribed by s. 30 681.1095(10) and (12). Section 681.1095(13) and (14) apply to 31
