11 The Committee on Communications and Public Utilities
 12 (Constantine) recommended the following amendment:

Senate Amendment

On page 1, lines 13-24, delete those lines

and insert:

(1) The Commission is authorized to approve rates on
 an experimental or transitional basis for any public utility
 to encourage energy conservation, ~~or to encourage efficiency,~~
or use of energy from a renewable energy resource, as that
term is defined in s. 377.703(2). The application of such
 rates may be for limited geographic areas and for a limited
 period.
