Senator Garcia moved the following amendment:

Senate Amendment (with title amendment)

On page 17, line 25, through
page 18, line 5, delete those lines

and insert:

Section 6. Section 627.06281, Florida Statutes, is
created to read:

627.06281 Public hurricane loss projection model;
reporting of data by insurers.--Within 30 days after a written
request for loss data and associated exposure data by the
office or a type I center within the State University System
established to study mitigation, residential property insurers
and licensed rating and advisory organizations that compile
residential property insurance loss data shall provide loss
data and associated exposure data for residential property
insurance policies to the office or to a type I center within
the State University System established to study mitigation,
as directed by the office, for the purposes of developing,
maintaining, and updating a public model for hurricane loss
