---

The Committee on Governmental Oversight and Productivity  
(Argenziano) recommended the following amendment:

**Senate Amendment**

On page 6, line 16, before the period

insert: and user advisory groups. If the project involves multiple agencies, the project organization shall include appropriate representation from all affected agencies. These entities together are accountable for the successful implementation of the project. The roles and responsibilities for these entities shall include identification and resolution of project issues and assessment and mitigation of project risks.
