4 Between lines 943 and 944, insert:

5 Section 11. Section 98.485, Florida Statutes, is created
6 to read:

7 98.485 Election dates.--The supervisor of elections in
8 each county shall submit to the respective district school board
9 a calendar of election dates. Based on the submission of such
10 information, each district school board shall set its teacher
11 planning days to coincide with election dates and make its
12 schools available as polling places. The supervisor of elections
13 shall coordinate with the district school board to ensure that
14 the district school board is notified in a timely manner for
15 purposes of planning for the school year.
