The Committee on Health Care (Fasano) recommended the following amendment:

**Senate Amendment**

On page 1, lines 26-31, delete those lines

and insert:

(13) Between October 1 of each year, or earlier if the vaccine is available, and February 1 of the following year, subject to the availability of an adequate supply of the necessary vaccine, each assisted living facility licensed under this part shall implement a program to offer immunizations against influenza viruses to all residents who are 65 years of age or older,
