The Committee on Health Care (Fasano) recommended the following amendment:

Senate Amendment (with title amendment)

On page 1, line 21,

insert:

Section 1. Present subsection (3) of section 381.005, Florida Statutes, is redesignated as subsection (4), and a new subsection (3) is added to that section, to read:

381.005 Primary and preventive health services.--

(3) Between October 1, or earlier if the vaccination is available, and February 1 of each year, subject to the availability of an adequate supply of the necessary vaccine, each assisted living facility licensed under chapter 400 that has 11 or more residents shall implement a program to offer immunizations against influenza viruses to all residents who are age 65 or older, in accordance with the recommendations of the Advisory Committee on Immunization Practices of the United States Centers for Disease Control and Prevention and subject to the clinical judgment of the responsible practitioner. By

Bill No. SB 1696

Barcode 764894

1 September 1 of each year, the department shall send to each
 2 assisted living facility covered by this section a reminder
 3 notice of the responsibilities of each assisted living
 4 facility under this section.

10 And the title is amended as follows:

11 On page 1, line 2, after the semicolon,

12

13 insert:

14 amending s. 381.005, F.S.; requiring certain
 15 assisted living facilities to offer
 16 immunizations against influenza viruses to
 17 residents age 65 or older; requiring the
 18 Department of Health to notify assisted living
 19 facilities by a specified date of the
 20 facilities responsibilities;
