18 and insert: TWO-THIRDS VOTE FOR CONSTITUTIONAL AMENDMENT
19 INCREASING STATE TAX OR FEE OR IMPOSING SIGNIFICANT FINANCIAL
20 IMPACT.--Proposing amendments to the State Constitution
21 requiring that a proposed amendment to or revision of the
22 State Constitution which increases an existing state tax or
23 fee must be approved by at least two-thirds of those voters
24 voting in the election in which the amendment or revision is
25 considered. For the purposes of this amendment, "existing

1 revision of the State Constitution which imposes a significant
2 financial impact on state government must be approved by at
3 least two-thirds of those voters voting in the election in
4 which the amendment or revision is considered. For the
5 purposes of this amendment, a "significant financial impact"
6 means a financial impact to the state, including requiring the
7 Legislature to increase taxes in order to maintain the state
8 budget at existing revenues and expenditures, in any state
9 fiscal year prior to and including the first state fiscal year
10 of full implementation in an amount greater than two-tenths of
11 1 percent of the portion of the state budget appropriated from
12 the General Revenue Fund, as established in the General
13 Appropriations Act approved by the Governor, for the state
14 fiscal year ending in the year prior to the election in which
15 such proposed amendment or revision is considered. Currently,
16 any such proposal must be approved by only a simple majority
17 of those voting on the proposal unless it imposes a new state
18 tax or fee, in which case it must be approved by at least
19 two-thirds of those voters voting in the election in which it
20 is considered, as required by a constitutional amendment
21 adopted by Florida voters in 1996. This amendment also makes
22 conforming changes in this section of the State Constitution
23 and repeals obsolete provisions relating to items on the
24 November 8, 1994, ballot.
