

1 3. That the airport has become either unsafe or
2 unusable for flight operation due to physical or legal changes
3 in conditions that were the subject of approval; ~~or-~~

4 4. That an airport required to file or update a
5 security plan pursuant to paragraph (f) has failed to do so.

6 (f)1. After initial licensure, a license of a publicly
7 or privately owned general aviation airport that is open to
8 the public, that has at least one runway greater than 4,999
9 feet in length, and that does not host scheduled
10 passenger-carrying commercial service operations regulated
11 under 14 C.F.R. part 139 shall not be renewed or reissued
12 unless an approved security plan has been filed with the
13 department, except when the department determines that the
14 airport is working in good faith toward completion and filing
15 of the plan.

16 2. Security plans required by this paragraph must be
17 developed in accordance with the 2004 Security Planning for
18 General Aviation Airports guidelines published by the Florida
19 Airports Council. Certain administrative data from the
20 approved security plan shall be submitted to the Department of
21 Law Enforcement, in a format prescribed by the Department of
22 Law Enforcement, for use in protecting critical infrastructure
23 of the state.

24 3. The department shall not approve a security plan
25 for filing unless it is consistent with Florida Airports
26 Council's guidelines and it has determined that the plan has
27 been developed appropriately to meet the particular security
28 needs of the airport for which it was created.

29 4. An airport required to file a security plan
30 pursuant to this paragraph shall update its plan at least once
31 every 2 years after the initial filing date and file the

1 updated plan with the department. The department shall review
2 the updated plan prior to approving it for filing to determine
3 whether it has been updated appropriately to meet the
4 particular security needs of the airport. No renewal license
5 shall be issued to the airport unless the department approves
6 the updated security plan or determines that the airport is
7 working in good faith to update it.

8 Section 2. This act shall take effect October 1, 2005.
