## FULL ANALYSIS

### I. SUBSTANTIVE ANALYSIS

#### A. HOUSE PRINCIPLES ANALYSIS:

Promote personal responsibility: This bill increases the severity of the sanction for potentially injurious behavior.

Maintain public security: This bill increases the severity of the offense of aggravated abuse of an elderly person or disabled adult. The bill requires law enforcement officer training related to abuse and neglect of the elderly.

#### B. EFFECT OF PROPOSED CHANGES:

*Abuse of elderly person or disabled adult:* Chapter 825, F.S., provides criminal penalties for offenses committed against elderly persons<sup>1</sup> and disabled adults<sup>2</sup>. Section 825.102(2), F.S. specifies that a person who commits aggravated abuse of an elderly person or disabled adult commits a felony of the second degree. According to this provision, aggravated abuse of an elderly person or disabled adult occurs when a person:

1. Commits aggravated battery on an elderly person or disabled adult;
2. Willfully tortures, maliciously punishes, or willfully and unlawfully cages, an elderly person or disabled adult; or
3. Knowingly or willfully abuses an elderly person or disabled adult and in so doing causes great bodily harm, permanent disability, or permanent disfigurement to the elderly person or disabled adult.

The bill reclassifies the offense of aggravated abuse of an elderly person or disabled adult from a second degree to a first degree felony. Aggravated child abuse is currently a first degree felony.<sup>3</sup> This will have the effect of increasing the maximum sentence for the offense from fifteen years in prison to thirty years in prison. The bill does not change the ranking of the offense within the offense severity ranking chart of the Criminal Punishment Code. The offense of aggravated abuse of an elderly person or disabled adult is currently ranked in level eight of the chart. As under current law, the lowest permissible sentence for a first time offender who commits this offense and has no additional sentencing factors will be 36 months in prison.

*Law enforcement training:* Sections 943.171 through 943.17295, F.S. contain a number of specific requirements relevant to law enforcement officer training including training in subjects such as victims assistance, juvenile sexual offender investigations, and domestic violence cases. The bill creates s. 943.17296, F.S. which requires certified law enforcement officers to receive training in identification and investigation of abuse and neglect either as a part of basic recruit training or through continuing education. The training must be developed in consultation with the Department of Elderly Affairs and must incorporate instruction on identification and appropriate responses to persons suffering from dementia and on the identification and investigation of elder abuse and neglect. This training must be completed by June 30, 2008. An officer's certification shall become inactive if he or she does not

**II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT**

A. FISCAL IMPACT ON STATE GOVERNMENT:

None.

2. Expenditures:

The bill reclassifies the offense of aggravated abuse of an elderly person from a second degree felony to a first degree felony. This will increase the maximum sentence for the offense from fifteen years to thirty years. The bill does not change the ranking of the offense within the Offense Severity Ranking Chart of the Criminal Punishment Code. The offense is currently ranked in level 8. As a result, the lowest permissible sentence for a first time offender will be 36 months in prison as it is under current law.
