Representative(s) Pickens offered the following:

Amendment to Amendment (628337)

Remove line(s) 877-879 and insert:

(i) Identify and select the nationally norm-referenced tests that are comparable to the norm-referenced provisions of the Florida Comprehensive Assessment Test. The State Board of Education may not identify more than four norm-referenced tests for use in meeting the requirements of this section. However, the Department of Education may approve the use of an additional assessment by the school if the school can demonstrate that the assessment meets industry standards of quality and comparability. The State Board of Education may select the Florida Comprehensive Assessment Test as one of the four tests for use in meeting such requirements.
