The Committee on Government Efficiency Appropriations (Posey) recommended the following amendment:

**Senate Amendment**

On page 53, lines 23-28, delete those lines

and insert:

- (h)1. Select one of the four nationally norm-referenced tests identified by the State Board of Education under subsection (8) for each scholarship student. The test initially selected for a student must be used for that student for no less than 5 consecutive years. However, the private school may use an updated version of the same test, based on the new norms, from the same publisher.
- 2. Annually administer or provide for each scholarship student to take the nationally norm-referenced test selected under subparagraph 1. and report each student's scores to the parent and the Department of Education.
