11 The Committee on Ethics and Elections (Posey) recommended the
 12 following amendment:

14 **Senate Amendment**

15 On page 94, line 17, delete those words

17 and insert: results ~~where ballots are used.~~

18 (1) Beginning the 60th day before each election or 5
 19 days following a primary election, whichever is sooner, each
 20 supervisor of elections shall post on its website in a manner
 21 specified by the division of elections and make publicly
 22 available the total number of absentee ballots requested,
 23 mailed, returned and the total number of rejected ballots for
 24 that election as of that date. For any supervisor of
 25 elections who does not maintain a website, the division of
 26 elections shall post the required information on its website.
 27 This information shall be posted with results broken down by
 28 party affiliation. Each supervisor of elections shall prepare
 29 an electronic data file listing the individual voters that
 30 have requested an absentee ballot, been mailed an absentee
 31 ballot, have returned an absentee ballot. This information

Bill No. PCS for SB 2086 (304552)

Barcode 104498

1 shall be updated and made available no later than noon each
 2 day. Such information shall contemporaneously be provided to
 3 the division of elections. The division of elections is
 4 authorized to promulgate rules necessary to effectuate this
 5 section. The division of elections may require that such
 6 information be provided to it electronically and in a manner
 7 specified by the division of elections.

8 (2) During any early voting period, each supervisor of
 9 elections shall post on its website in a manner specified by
 10 the division of elections and make publicly available the
 11 total number of early votes by party affiliation and the total
 12 number of all early votes cast at each early vote location for
 13 all voters who cast a ballot during early voting the previous
 14 day. For any supervisor of elections who does not maintain a
 15 website, the division of elections shall post the required
 16 information on its website. Each supervisor of elections
 17 shall prepare an electronic data file listing the individual
 18 voters that cast a ballot during the early voting period.
 19 This information shall be updated and made available no later
 20 than noon each day. Such information shall contemporaneously
 21 be provided to the division of elections. The division of
 22 elections is authorized to promulgate rules necessary to
 23 effectuate this section. The division of elections may
 24 require that such information be provided to it electronically
 25 and in a manner specified by the division of elections.

26 (3) The election board shall post
