7 (5) In the event that the Elections Canvassing  
 8 Commission is unable to certify the results of an election for

 13 the mailing envelope so that the line for the signature of the  
 14 absent elector is across the seal of the envelope; however, no  
 15 statement shall appear on the envelope which indicates that a  
 16 signature of the voter must cross the seal of the envelope.  
 17 The absent elector shall execute the certificate on the

19 (3) In lieu of the voter's certificate provided in  
 20 this section, the supervisor of elections shall provide each

24 Section 46. Subsection (1) of section 101.657, Florida  
 25 Statutes, is amended, present subsection (2) of that section  
 26 is renumbered as subsection (3), and a new subsection (2) is

3 early voting, it shall be a permanent ~~full-service~~ facility of  
4 the supervisor and shall have been designated and used as such  
5 for at least 1 year prior to the election. The supervisor may  
6 also designate any city hall or permanent public library  
7 facility as early voting sites; however, if so designated, the  
8 sites must be geographically located so as to provide all  
9 voters in the county an equal opportunity to cast a ballot,  
10 insofar as is practicable. The results or tabulation of votes  
11 cast during early voting may not be made before the close of  
12 the polls on election day. Results shall be reported by  
13 precinct.

14 (b) The supervisor shall designate each early voting  
15 site by no later than the 30th day prior to an election and  
16 shall designate an early voting area, as defined in s. 97.021,  
17 at each early voting site. Designation of early voting sites  
18 may not be changed except by petition to the division, which  
19 petition shall only be granted for reasons of a natural or  
20 unavoidable event resulting in the unavailability of such  
21 early voting site.

22 (c) All early voting sites in a county shall be open  
23 on the same days for the same amount of time and shall allow  
24 any person in line at the closing of an early voting site to  
25 vote.

26 (d)(b) Early voting shall begin on the 15th day before  
27 an election and end on the 2nd day before an election. For  
28 purposes of a special election held pursuant to s. 100.101,  
29 early voting shall begin on the 8th day before an election and  
30 end on the 2nd day before an election. Early voting shall be  
31 provided for at least 8 hours per weekday and 8 hours in the

 3 and close no later than 7 p.m. on each applicable day during  
 4 the applicable periods. Early voting shall also be provided  
 5 for 8 hours in the aggregate for each weekend during the  
 6 applicable periods.

7 (e) Notwithstanding the requirements of s. 100.3605,  
 8 municipalities may provide early voting in municipal elections  
 9 that are not held in conjunction with county or state  
 10 elections. If a municipality provides early voting, it may  
 11 designate as many sites as necessary and shall conduct its  
 12 activities in accordance with the provisions of paragraphs  
 13 (a)-(c). The supervisor is not required to conduct early  
 14 voting if it is provided pursuant to this subsection.

15 (f) Notwithstanding the requirements of s. 189.405,  
 16 special districts may provide early voting in any district  
 17 election not held in conjunction with county or state  
 18 elections. If a special district provides early voting, it may  
 19 designate as many sites as necessary and shall conduct its  
 20 activities in accordance with the provisions of paragraphs  
 21 (a)-(c). The supervisor is not required to conduct early  
 22 voting if it is provided pursuant to this subsection.

23 (2) During any early voting period, each supervisor of  
 24 elections shall make available the total number of voters  
 25 casting a ballot at each early voting location during the  
 26 previous day. Each supervisor shall prepare an electronic data  
 27 file listing the individual voters who cast a ballot during  
 28 the early voting period. This information shall be provided in  
 29 electronic format as provided by rule adopted by the division.  
 30 The information shall be updated and made available no later  
 31 than noon of each day and shall be contemporaneously provided

2 Section 47. Subsection (2) of section 101.663, Florida  
3 Statutes, is amended to read:

4 101.663 Electors; change of residence.--

5 (2) An elector registered in this state who moves his  
6 or her permanent residence to another state after the  
7 registration books in that state have closed and who is  
8 ~~prohibited by the laws of that state from voting for the~~  
9 ~~offices of President and Vice President of the United States~~  
10 shall be permitted to vote absentee in the county of his or

13 Section 48. Subsection (1) of section 101.68, Florida  
14 Statutes, is amended to read:

15 101.68 Canvassing of absentee ballot.--

16 (1) The supervisor of the county where the absent  
17 elector resides shall receive the voted ballot, at which time  
18 the supervisor shall compare the signature of the elector on  
19 the voter's certificate with the signature of the elector in  
20 the registration books to determine whether the elector is  
21 duly registered in the county and may record on the elector's  
22 registration certificate that the elector has voted. The  
23 supervisor shall safely keep the ballot unopened in his or her  
24 office until the county canvassing board canvasses the vote.  
25 After an absentee ballot is received by the supervisor, the  
26 ballot is deemed to have been cast, and changes or additions  
27 may not be made to the voter's certificate.

28 Section 49. Section 101.69, Florida Statutes, is  
29 amended to read:

1 prohibit any elector from voting in person at the elector's  
2 precinct on the day of an election or at an early voting site,  
3 notwithstanding that the elector has requested an absentee  
4 ballot for that election. An elector who has returned a voted  
5 absentee ballot to the supervisor, however, is deemed to have  
6 cast his or her ballot and is not entitled to vote another  
7 ballot or to have a provisional ballot counted by the county  
8 canvassing board. An elector who has received an absentee  
9 ballot and has not returned the voted ballot to the  
10 supervisor, but desires to vote in person, shall return the  
11 ballot, whether voted or not, to the election board in the  
12 elector's precinct or to an early voting site. The returned  
13 ballot shall be marked "canceled" by the board and placed with  
14 other canceled ballots. However, if the elector does not  
15 return the ballot and the election official:

16 (1) Confirms that the supervisor has received the  
17 elector's absentee ballot, the elector shall not be allowed to  
18 vote in person. If the elector maintains that he or she has  
19 not returned the absentee ballot or remains eligible to vote,  
20 the elector shall be provided a provisional ballot as provided  
21 in s. 101.048.

22 (2) Confirms that the supervisor has not received the  
23 elector's absentee ballot, the elector shall be allowed to  
24 vote in person as provided in this code. The elector's  
25 absentee ballot, if subsequently received, shall not be  
26 counted and shall remain in the mailing envelope, and the  
27 envelope shall be marked "Rejected as Illegal."

28 (3) Cannot determine whether the supervisor has  
29 received the elector's absentee ballot, the elector may vote a  
30 provisional ballot as provided in s. 101.048.

 28 county canvassing board that was constituted pursuant to s.

1 correction of which could result in a change in the outcome of  
 2 an election, the county canvassing board must certify  
 3 corrected returns to the Department of State within 24 hours,  
 4 and the Elections Canvassing Commission must correct and  
 5 recertify the election returns as soon as practicable.

6 (2) The Division of Elections shall provide the staff  
 7 services required by the Elections Canvassing Commission.

8 Section 58. Section 102.112, Florida Statutes, is

10 102.112 Deadline for submission of county returns to  
 11 the Department of State.--

12 (1) The county canvassing board or a majority thereof

 14 state officer with the Department of State immediately after  
 15 certification of the election results. The returns must  
 16 contain a certification by the canvassing board that the board  
 17 has reconciled the number of persons who voted with the number  
 18 of ballots counted and that the certification includes all  
 19 valid votes cast in the election.

20 (2) Returns must be filed by 5 p.m. on the 7th day  
 21 following a primary election and by 5 p.m. on the 11th day  
 22 following the general election. However, the Department of  
 23 State may correct typographical errors, including the  
 24 transposition of numbers, in any returns submitted to the  
 25 Department of State pursuant to s. 102.111(1).

26 (3) If the returns are not received by the department  
 27 by the time specified, such returns shall be ignored and the  
 28 results on file at that time shall be certified by the

1 Canvassing Commission shall determine the deadline by which  
2 the returns must be received.

3 Section 59. Section 102.141, Florida Statutes, is  
4 amended to read:

5 102.141 County canvassing board; duties.--

6 (1) The county canvassing board shall be composed of  
7 the supervisor of elections; a county court judge, who shall  
8 act as chair; and the chair of the board of county  
9 commissioners. In the event any member of the county  
10 canvassing board is unable to serve, is a candidate who has  
11 opposition in the election being canvassed, or is an active  
12 participant in the campaign or candidacy of any candidate who  
13 has opposition in the election being canvassed, such member  
14 shall be replaced as follows:

15 (a) If no county court judge is able to serve or if  
16 all are disqualified, the chief judge of the judicial circuit  
17 in which the county is located shall appoint as a substitute  
18 member a qualified elector of the county who is not a  
19 candidate with opposition in the election being canvassed and  
20 who is not an active participant in the campaign or candidacy  
21 of any candidate with opposition in the election being  
22 canvassed. In such event, the members of the county  
23 canvassing board shall meet and elect a chair.

24 (b) If the supervisor of elections is unable to serve  
25 or is disqualified, the chair of the board of county  
26 commissioners shall appoint as a substitute member a member of  
27 the board of county commissioners who is not a candidate with  
28 opposition in the election being canvassed and who is not an  
29 active participant in the campaign or candidacy of any  
30 candidate with opposition in the election being canvassed.

31 The supervisor, however, shall act in an advisory capacity to

Barcode 912202

1 the canvassing board.

2 (c) If the chair of the board of county commissioners  
3 is unable to serve or is disqualified, the board of county  
4 commissioners shall appoint as a substitute member one of its  
5 members who is not a candidate with opposition in the election  
6 being canvassed and who is not an active participant in the  
7 campaign or candidacy of any candidate with opposition in the  
8 election being canvassed.

9 (d) If a substitute member cannot be appointed as  
10 provided elsewhere in this subsection, the chief judge of the  
11 judicial circuit in which the county is located shall appoint  
12 as a substitute member a qualified elector of the county who  
13 is not a candidate with opposition in the election being  
14 canvassed and who is not an active participant in the campaign  
15 or candidacy of any candidate with opposition in the election  
16 being canvassed.

17 (2) The county canvassing board shall meet in a  
18 building accessible to the public in the county where the  
19 election occurred at a time and place to be designated by the  
20 supervisor of elections to publicly canvass the absentee  
21 electors' ballots as provided for in s. 101.68 and provisional  
22 ballots as provided by ss. 101.048, 101.049, and 101.6925.  
23 Provisional ballots cast pursuant to s. 101.049 shall be  
24 canvassed in a manner that votes for candidates and issues on  
25 those ballots can be segregated from other votes. Public  
26 notice of the time and place at which the county canvassing  
27 board shall meet to canvass the absentee electors' ballots and  
28 provisional ballots shall be given at least 48 hours prior  
29 thereto by publication once in one or more newspapers of  
30 general circulation in the county or, if there is no newspaper  
31 of general circulation in the county, by posting such notice

Bill No. CS for SB 2086

1 in at least four conspicuous places in the county. As soon as  
2 the absentee electors' ballots and the provisional ballots are  
3 canvassed, the board shall proceed to publicly canvass the  
4 vote given each candidate, nominee, constitutional amendment,  
5 or other measure submitted to the electorate of the county, as  
6 shown by the returns then on file in the office of the  
7 supervisor of elections and the office of the county court  
8 judge.

9 (3) The canvass, except the canvass of absentee  
10 electors' returns and the canvass of provisional ballots,  
11 shall be made from the returns and certificates of the  
12 inspectors as signed and filed by them with the ~~county court~~  
13 ~~judge and supervisor, respectively,~~ and the county canvassing  
14 board shall not change the number of votes cast for a  
15 candidate, nominee, constitutional amendment, or other measure  
16 submitted to the electorate of the county, respectively, in  
17 any polling place, as shown by the returns. All returns shall  
18 be made to the board on or before 2 a.m. of the day following  
19 any primary, general, ~~special,~~ or other election. If the  
20 returns from any precinct are missing, if there are any  
21 omissions on the returns from any precinct, or if there is an  
22 obvious error on any such returns, the canvassing board shall  
23 order a retabulation ~~recount~~ of the returns from such  
24 precinct. Before canvassing such returns, the canvassing  
25 board shall examine the tabulation of the ballots cast in such  
26 precinct and determine whether the returns correctly reflect  
27 the votes cast. If there is a discrepancy between the returns  
28 and the tabulation of the ballots cast, the tabulation of the  
29 ballots cast shall be presumed correct and such votes shall be  
30 canvassed accordingly.

31 (4) The canvassing board shall submit on forms or in

Bill No. CS for SB 2086

Barcode 912202

1 formats provided by the division unofficial returns to the  
 2 Department of State for each federal, statewide, state, or  
 3 multicounty office or ballot measure no later than noon on the  
 4 third ~~second~~ day after any primary election and no later than  
 5 noon on the fifth day after any, general, ~~special,~~ or other  
 6 election. Such returns shall include the canvass of all  
 7 ballots as required by subsection (2), except for provisional  
 8 ballots, which returns shall be reported at the time required  
 9 for official returns pursuant to s. 102.112(2).

10 (5) If the county canvassing board determines that the  
 11 unofficial returns may contain a counting error in which the  
 12 vote tabulation system failed to count votes that were  
 13 properly marked in accordance with the instructions on the  
 14 ballot, the county canvassing board shall:

15 (a) Correct the error and retabulate ~~recount~~ the  
 16 affected ballots with the vote tabulation system; or

17 (b) Request that the Department of State verify the  
 18 tabulation software. When the Department of State verifies  
 19 such software, the department shall compare the software used  
 20 to tabulate the votes with the software filed with the  
 21 department pursuant to s. 101.5607 and check the election  
 22 parameters.

23 (6) If the unofficial returns reflect that a candidate  
 24 for any office was defeated or eliminated by one-half of a  
 25 percent or less of the votes cast for such office, that a  
 26 candidate for retention to a judicial office was retained or  
 27 not retained by one-half of a percent or less of the votes  
 28 cast on the question of retention, or that a measure appearing  
 29 on the ballot was approved or rejected by one-half of a  
 30 percent or less of the votes cast on such measure, the board  
 31 responsible for certifying the results of the vote on such

Bill No. CS for SB 2086

Barcode 912202

1 race or measure shall order a recount of the votes cast with  
2 respect to such office or measure. The Elections Canvassing  
3 Commission is the board responsible for ordering federal,  
4 state, and multi county recounts. A recount need not be  
5 ordered with respect to the returns for any office, however,  
6 if the candidate or candidates defeated or eliminated from  
7 contention for such office by one-half of a percent or less of  
8 the votes cast for such office request in writing that a  
9 recount not be made.

10 (a) ~~In counties with voting systems that use paper~~  
11 ~~ballots,~~ Each canvassing board responsible for conducting a  
12 recount shall put each marksense ballot through automatic  
13 tabulating equipment and determine whether the returns  
14 correctly reflect the votes cast. If any marksense ~~paper~~  
15 ballot is physically damaged so that it cannot be properly  
16 counted by the automatic tabulating equipment during the  
17 recount, a true duplicate shall be made of the damaged ballot  
18 pursuant to the procedures in s. 101.5614(5). Immediately  
19 before the start of the recount ~~and after completion of the~~  
20 ~~count,~~ a test of the tabulating equipment shall be conducted  
21 as provided in s. 101.5612. If the test indicates no error,  
22 the recount tabulation of the ballots cast shall be presumed  
23 correct and such votes shall be canvassed accordingly. If an  
24 error is detected, the cause therefor shall be ascertained and  
25 corrected and the recount repeated, as necessary. The  
26 canvassing board shall immediately report the error, along  
27 with the cause of the error and the corrective measures being  
28 taken, to the Department of State. No later than 11 days after  
29 the election, the canvassing board shall file a separate  
30 incident report with the Department of State, detailing the  
31 resolution of the matter and identifying any measures that

Bill No. CS for SB 2086

Barcode 912202

1 will avoid a future recurrence of the error.

2           (b) ~~In counties with voting systems that do not use~~  
3 ~~paper ballots~~, Each canvassing board responsible for  
4 conducting a recount where touchscreen ballots were used shall  
5 examine the counters on the precinct tabulators to ensure that  
6 the total of the returns on the precinct tabulators equals the  
7 overall election return. If there is a discrepancy between the  
8 overall election return and the counters of the precinct  
9 tabulators, the counters of the precinct tabulators shall be  
10 presumed correct and such votes shall be canvassed  
11 accordingly.

12           (c) The canvassing board shall submit on forms or in  
13 formats provided by the division a second set of unofficial  
14 returns to the Department of State for each federal,  
15 statewide, state, or multicounty office or ballot measure no  
16 later than 3 p.m. noon on the fifth ~~third~~ day after any  
17 primary election and no later than 3 p.m. on the eighth day  
18 after any general election in which a recount was conducted  
19 pursuant to this subsection. If the canvassing board is unable  
20 to complete the recount prescribed in this subsection by the  
21 deadline, the second set of unofficial returns submitted by  
22 the canvassing board shall be identical to the initial  
23 unofficial returns and the submission shall also include a  
24 detailed explanation of why it was unable to timely complete  
25 the recount. However, the canvassing board shall complete the  
26 recount prescribed in this subsection, along with any manual  
27 recount prescribed in s. 102.166, and certify election returns  
28 in accordance with the requirements of this chapter.

29           (d) The Department of State shall adopt detailed rules  
30 prescribing additional recount procedures for each certified  
31 voting system, which shall be uniform to the extent

1 practicable.

2 (7) The canvassing board may employ such clerical help  
3 to assist with the work of the board as it deems necessary,  
4 with at least one member of the board present at all times,  
5 until the canvass of the returns is completed. The clerical  
6 help shall be paid from the same fund as inspectors and other  
7 necessary election officials.

8 (8)(a) At the same time that the official results of  
9 an election are certified to the Department of State, the  
10 county canvassing board shall file a report with the Division  
11 of Elections on the conduct of the election. The report must  
12 describe:

13 1. All equipment or software malfunctions at the  
14 precinct level, at a counting location, or within computer and  
15 telecommunications networks supporting a county location, and  
16 the steps that were taken to address the malfunctions;

17 2. All election definition errors that were discovered  
18 after the logic and accuracy test, and the steps that were  
19 taken to address the errors;

20 3. All ballot printing errors or ballot supply  
21 problems, and the steps that were taken to address the errors  
22 or problems;

23 4. All staffing shortages or procedural violations by  
24 employees or precinct workers which were addressed by the  
25 supervisor of elections or the county canvassing board during  
26 the conduct of the election, and the steps that were taken to  
27 correct such issues;

28 5. All instances where needs for staffing or equipment  
29 were insufficient to meet the needs of the voters; and

30 6. Any additional information regarding material  
31 issues or problems associated with the conduct of the

1 election.

2       (b) If a supervisor discovers new or additional  
3 information on any of the items required to be included in the  
4 report pursuant to paragraph (a) after the report is filed,  
5 the supervisor shall notify the division that new information  
6 has been discovered no later than the next business day after  
7 the discovery and the supervisor shall file an amended report  
8 signed by the supervisor of elections on the conduct of the  
9 election within 10 days after the discovery. ~~shall contain~~  
10 information relating to any problems incurred as a result of  
11 equipment malfunctions either at the precinct level or at a  
12 counting location, any difficulties or unusual circumstances  
13 encountered by an election board or the canvassing board, and  
14 any other additional information which the canvassing board  
15 feels should be made a part of the official election record.

16       (c) Such reports shall be maintained on file in the  
17 Division of Elections and shall be available for public  
18 inspection. The division shall utilize the reports submitted  
19 by the canvassing boards to determine what problems may be  
20 likely to occur in other elections and disseminate such  
21 information, along with possible solutions, to the supervisors  
22 of elections.

23       (9) The supervisor shall file with the department a  
24 copy of or an export file from the results database of the  
25 county's voting system and other statistical information as  
26 may be required by the department, the Legislature, or the  
27 Election Assistance Commission. The department shall adopt  
28 rules establishing the required content and acceptable formats  
29 for the filings and time for filings.

31 amended to read:

Bill No. CS for SB 2086

Barcode 912202

1           102.166 Manual recounts.--

2           (1) If the second set of unofficial returns pursuant  
3 to s. 102.141 indicates that a candidate for any office was  
4 defeated or eliminated by one-quarter of a percent or less of  
5 the votes cast for such office, that a candidate for retention  
6 to a judicial office was retained or not retained by  
7 one-quarter of a percent or less of the votes cast on the  
8 question of retention, or that a measure appearing on the  
9 ballot was approved or rejected by one-quarter of a percent or  
10 less of the votes cast on such measure, the board responsible  
11 for certifying the results of the vote on such race or measure  
12 shall order a manual recount of the overvotes and undervotes  
13 cast in the entire geographic jurisdiction of such office or  
14 ballot measure. A manual recount may not be ordered, however,  
15 if the number of overvotes, undervotes, and provisional  
16 ballots is fewer than the number of votes needed to change the  
17 outcome of the election.
