I. Summary:

SB 2194 creates the Federal Grants Trust Fund within the Parole Commission effective July 1, 2005. This trust fund is established to be used for allowable grant activities funded by restricted program revenues. Funds that will be credited to the Federal Grants Trust Fund will consist of federal grants which shall be used for the various purposes for which the federal funds were intended.

This bill creates the following section of the Florida Statutes: 947.045

II. Present Situation:

Article III, Section 19(f) of the Florida Constitution requires that trust funds pass with a 3/5 vote in each house and be in a separate bill for the sole purpose of creating that trust fund. The constitution also requires that all agency trust funds terminate every four years unless recreated.

Florida Statutes 215.3208 (1) provides that, in order to implement Article III, Section 19(f) of the Florida Constitution, a schedule for review of trust funds be included in the legislative budget instructions developed pursuant to Florida Statutes 216.023.

In order to meet accounting standards established by the Government Accounting Standards Board (GASB), section 215.32, F.S., was amended last session to require that agencies have certain trust funds for day-to-day operations. One of the required trust funds is a federal grants trust fund. The Parole Commission currently does not have a federal grants trust fund.

III. Effect of Proposed Changes:

The creation of this trust fund for the Parole Commission will allow the agency to receive funds from grants and funding from the federal government. The agency will use this trust fund as a depository for funds to be used for allowable grant activities funded by restricted program revenues.

The trust fund will terminate in four years, on July 1, 2009, pursuant to Article II, Section 19(f)(2).
