institutions that are members of the Association of American Universities. At least 20 percent of the amount raised by tuition increases imposed pursuant to this paragraph shall be allocated by each university to need-based financial aid for students.

(d) Within proviso in the General Appropriations Act and law, each board of trustees shall set university tuition and fees. The sum of the activity and service, health, and athletic fees a student is required to pay to register for a course shall not exceed 40 percent of the tuition established in law or in the General Appropriations Act. The tuition and fees established in paragraph (c) for graduate, graduate professional, or nonresident students are not subject to the 40 percent cap. A No university is not shall be required to lower any fee in effect on the effective date of this act in order to comply with this subsection. Within the 40 percent cap, universities may not increase the aggregate sum of activity and service, health, and athletic fees more than 5 percent per year unless specifically authorized in law or in the General Appropriations Act. A university may increase its athletic fee to defray the costs associated with changing National Collegiate Athletic Association divisions. Any such increase in the athletic fee may exceed both the 40 percent cap and the 5 percent cap imposed by this subsection. Any such increase must be approved by the athletic fee committee in the process outlined in subsection (11) and cannot exceed \$2 per credit hour. Notwithstanding the provisions of ss. 1009.534, 1009.535, and 1009.536, that portion of any increase in an athletic fee pursuant to this subsection that causes the sum of the activity and service, health, and athletic fees to exceed the 40 percent cap or the annual increase in such fees
