The Committee on Education Appropriations (Constantine)  
recommended the following amendment:

**Senate Amendment**

On page 4, lines 1 through 8, delete those lines,  
and insert: (d) An individual who is classified as a nonresident for tuition purposes may become eligible for reclassification as a resident for tuition purposes only if that individual, or his or her parent if that individual is a dependent child, supports permanent residency in this state by presenting documentation of permanent, full-time employment in this state and domicile in this state for 12 consecutive months while not enrolled full-time at an institution of higher education. However, if an individual and his or her parent moves to this state while the individual is a high school student and the individual graduates from a high school in this state, the individual may become eligible for reclassification as a resident for tuition purposes when the parent qualifies for permanent residency, if the individual is a dependent child.
